

## DESCRIPTION

Purified ingredient Non-Human Primate Tablet (precision pellet), Vitamin C fortified. Formerly manufactured as Formula "PJLP", Formula "PJSP", and "Supplement". Formulated according to the National Research Council's recommendations for Old and New World primates (1978). This vitamin C fortified purified ingredient pellet can be used as a behavioral reward, enrichment treat or dietary supplement. Various flavors and sizes available.

Storage conditions are particularly critical to TestDiet® products, due to the absence of antioxidants or preservative agents. To provide maximum protection against possible changes during storage, store in a dry, cool location. Storage under refrigeration (2° C) is recommended. Maximum shelf life is twelve months in a sealed container. (If long term studies are involved, storing the diet at -20° C or colder may prolong shelf life.) Be certain to keep in air tight containers.

1. Formulation based on calculated values from the latest ingredient analysis information. Since nutrient composition of natural ingredients varies and some nutrient loss will occur due to manufacturing processes, analysis will differ accordingly. Nutrients expressed as percent of ration on an As-Fed basis except where otherwise indicated. Moisture content is assumed to be 10.0% for the purpose of calculations.
2. NDF = approximately cellulose, hemicellulose and lignin.
3. ADF = approximately cellulose and lignin.
4. Energy (kcal/gm) - Sum of decimal fractions of protein, fat and carbohydrate x 4,9,4 kcal/gm respectively.
